**Re: *Teva Branded Pharmaceutical Products R&D, Inc., et al. v. Amneal
Pharmaceuticals of New York, LLC, et al.*
Civil Action No. 2:23-cv-20964 (SRC-MAH)**

Dear Judge Chesler:

This firm, together with Goodwin Procter LLP and Williams & Connolly LLP, represents Plaintiffs Teva Branded Pharmaceutical Products R&D, Inc., Norton (Waterford) Ltd., and Teva Pharmaceuticals USA, Inc. (collectively, "Plaintiffs") in connection with the above-referenced matter. Pursuant to L. Pat. R. 4.6 and Paragraph 21 of the Amended Pretrial Scheduling Order (D.E. 56), we write on behalf of all parties to provide the Court with a proposed schedule for the *Markman* hearing.

The parties completed claim construction briefing for the seven disputed claim terms on September 27, 2024. The parties propose that each side have one hour to present its arguments. To allow for further questions from the Court, the parties propose two and a half hours total for the hearing. No live testimony will be presented at the hearing. The parties request that the Court indicates its preferences as to the order of presentation.

The parties have conferred and are available at the Court's convenience for a hearing on November 19-20, 2024 and December 5, 2024. If the proposed dates are not convenient for Your Honor, the parties are happy to confer and provide the Court with additional availability.

If this proposed schedule is acceptable, the parties respectfully request that Your Honor "So Order" this letter and place it on the public docket. Additionally, if Your Honor has concerns or comments on this proposal, the parties respectfully request further guidance as to Your Honor's preferred hearing format. As always, we thank the Court for its consideration of this submission and ongoing attention to this matter and remain available should Your Honor or Your Honor's staff have any questions or require anything further.

Respectfully submitted,

s/ Liza M. Walsh
